MEMORANDUM FOR THE RECORD

SUBJECT: Reporting on SAFE Progress

1. This memorandum is to record a decision reached jointly by the DDI, DDA, DDS&T, and the Comptroller on reporting on the progress of SAFE.

2. A single overall quarterly report will be required in the future. It should be delivered within ten days of the end of a quarter. It will be prepared by the DDI Plans and Programs Staff from inputs from ODP and OCR, addressed to the DDCI via the DDA and Comptroller, signed by the DDI with coordination lines for D/ODP and D/OCR. Inputs to the DDI Plans and Programs Staff should be made no later than the fifth working day following the close of a quarter. It should cover all aspects of SAFE; e.g., SAFE-ADISS (DIAOLS) coordination, contracts let, funds obligated, logistics preparations, changes in requirements, and plans for the next quarter.

3. At the end of each quarter (prior to the due date for the quarterly submissions to the DDI Plans and Programs Staff), the DDI Executive Officer will schedule an oral briefing on SAFE progress for the SAFE Steering Panel. D/ODP and D/OCR will jointly arrange for these presentations.

4. This supersedes and eliminates all prior Comptroller and DDI requirements for periodic reporting on SAFE. A copy of this report will be provided to the IC Staff in lieu of other mechanisms for reporting on SAFE. STATINTL
